	Time · 30 seconds

APPLICATION

1. Print your design/image.
2. Contour cut your design using a cutter with optical eye functions (or with scissors)
3. Weed excess transfer (if contour cut).

OPTIONAL · cover design with application tape.

4. Remove backing paper from FOREVER Ink-Jet Dark.
5. Position your textile onto your heat press.
6. Position FOREVER Ink-Jet Dark onto your textile.
7. Press for 3-5 seconds (30 seconds if using application tape).
8. Remove application tape (if applicable).
9. Cover your design with matt or gloss finishing paper and press again for 30 seconds.

WASH & CARE

- ◆ Cold wash up to 40°C
- ◆ After washing, cover the print with baking paper and iron to rejuvenate colours.

These instructions are based on using a professional Adkins swing-around press, adjustments may be required depending on the press you are using.

This transfer paper is not suitable for application using a household iron.

This transfer paper is suitable only for Ink-Jet Printers.
