--	--

APPLICATION

1. Position your textile onto your heat press.
2. Press your textile for 5 seconds to remove any moisture.
3. Position FOREVER Ink-Jet Lite onto your textile.
4. Press for 20 seconds.
5. Peel off the transfer paper whilst it's still hot.

OPTIONAL · cover your design with matt finishing paper to cure your print.

These instructions are based on using a professional Adkins swing-around press, adjustments may be required depending on the press you are using.

This transfer paper is not suitable for application using a household iron.

This transfer paper is suitable only for Ink-Jet Printers.

WASH & CARE

Cold wash up to 40°C

After washing cover the print with baking paper and iron to rejuvenate colours.

Are you experiencing problems with this transfer paper?
