

FOREVER FIVE STAR

Laser transfer paper for white/light textiles and textile surfaces

PRINT SETTINGS	PRESS SETTINGS
Paper Weight · 155gsm	Pressure · High - 5bar (70 PSI)
Image Mode · Mirror/Reverse	Temperature · 200°C (390°F)
Feed Mode · Multi-Purpose Tray (Bypass/Manual Feed)	Time · 20 seconds

APPLICATION

1. Position your textile onto your heat press.
2. Position FOREVER Five Star onto your textile.
3. Press for 20 seconds.
4. Release your press.
5. Leave for 5-10 seconds.
6. Peel off the transfer paper.

DO NOT in any event take your textile off the press before the transfer paper has been peeled off.

To improve washability, cover with finishing paper and press again for 3-5 seconds.

WASH & CARE

- ◆ Warm wash up to 60°C
- ◆ After washing, cover the print with baking paper and iron to rejuvenate colours.

These instructions are based on using a professional Adkins swing-around press, adjustments may be required depending on the press you are using.

This transfer paper is not suitable for application using a household iron.

This transfer paper is suitable only for Laser Printers.
